

# Signature Activity

Having been revered for centuries, elephants are the much loved national symbol of Thailand. Experience the magnificent Asian elephant while contributing to their conservation and welfare.

**One-Day Trip from 8:00-16:00 hrs. | THB 3,900 net / person** (Minimum 2 persons)

**PROGRAM INCLUSION** • Transportation • Northern Thai lunch by the river • Painted elephant souvenir

## Meet Mosha!

*Mosha* means 'star' in the Karen language and is the name of a beautiful three-legged elephant living at the pioneering Friends of the Asian Elephant Hospital (FAE). Mosha stepped on a land mine at just seven months old and became the first elephant in the world to receive a prosthetic leg. She's the founding inspiration of Elephant Parade® who provide continued structural support to the hospital.

## Elephant Parade Land

Get creative! Design and paint your own unique elephant, treasure it forever as the perfect souvenir from Chiang Mai while supporting Asian elephants like Mosha. Discover the museum, packed with fun facts about pachyderms, a story book and movie room. Take a tour of Elephant Parade's artist and studio headquarters. Meet the talented local artists. Snap the ultimate photograph with an array of life-size baby elephant statues.
